

Senior Mentors

1. **College 101 Boot Camp: Task** - Call your students to remind them of the dates, provide/organize transportation if needed

Seniors can choose to attend one of two sessions of my **College 101 Boot Camp: either the week of July 31-August 4 or August 7-11**. Both sessions will be at the MOSTe WeWork office, 555 West 5th Street, **10AM-1:00PM**. **You are welcome to attend but this is not mandatory**. I will use the last hour to have them work on test prep.

2. **College Fairs: Tasks** – Call students to urge them to attend and have their parents come with them. Help provide/organize transportation if needed

There are two college fairs I want juniors and seniors to attend, the **Colleges That Change Lives fair on July 31 at the Universal Hilton and the Vista Mar School Multicultural fair in October**.

3. **MOSTe Saturday Workshops: Tasks** – Call your students to remind them to register and if they cannot attend, document the reason so Joyce will know. Attend the October and November Workshops and at least one other (we encourage mentors to attend as many as they can with their mentees).
4. **SAT/ACT Test Prep – Tasks** - Call to encourage students to attend the Saturday Test Prep sessions.

We are subscribing to the online test prep platform, Magoosh, for sophomores, juniors and seniors. I am scheduling group study sessions on Saturdays, 10AM-1PM at our new office space at WeWork in downtown LA. Students can work individually or in groups on the online lessons.

5. **Claremont Colleges Tour: Task** – Provide transportation on a Saturday this fall to the Claremont Colleges. This is a long day commitment (8AM-6PM)

There are a number of rising seniors who have not visited the Claremont Colleges. I will select seniors who are academically eligible for any of the colleges but have not visited the campuses.
